## **Dr. MYERS, Charles Richard**

Victoria, BC

*When reporting this release, please provide the name and location of the physician in full in order to avoid confusion with any other physician who may have a similar name or initials.*

**VANCOUVER, BC:** Dr. Charles Richard Myers, a general practitioner, has admitted to engaging in unprofessional conduct by breaching the requirements of Undertakings to the College dated November 17, 2006. The Undertakings required that he have a chaperone present for breast, pelvic or otherwise sensitive examinations on female patients. At a medical attendance on May 17, 2007, Dr. Myers did not have a chaperone present when he conducted a pelvic examination of a patient.

Following the issuance of a disciplinary citation, Dr. Myers consented to the following disposition by the College:

Dr. Myers will irrevocably surrender his licence as a registrant of the College and give his irrevocable undertaking, effective February 24, 2014, to not seek future registration with the College or in any other jurisdiction.

*The College of Physicians and Surgeons is the licensing and regulatory body for all physicians and surgeons in the province. Governed by provincial legislation, the College's role is to protect the public by establishing, monitoring and enforcing high standards of qualification and ethical practice across the province.*
